About the Workshop:

For many people who are d/Deaf, hard of hearing or late-deafened, written or printed language is one of the most effective tool for communication access in their Communication Toolbox.

Join Debbie Jones, NVRC's Resource & Technology Manager, to learn about different ways captions can be used to access the world around you.

- Face-to-Face Communication
- Telephone Communication
- Media Access
- Online Access
- Technologies of the Future

Workshop provided by NVRC's Resource & Technology Manager, Debbie Jones. Debbie joined NVRC's staff in 1995, and has worked with assistive technology for over two decades. She is the contact person for VDDHH's Technology Assistance Program (TAP) in the Northern Virginia Region.
