

NVRC 2026 POLICY WATCH

Wednesday, July 29, 2026 | 7-8 PM

New Laws & Policy Changes You Should Know About

*How Federal, Virginia & Northern Virginia Changes Affect
Deaf, Hard of Hearing, DeafBlind, Older Adults, Families,
Employers & Service Providers*

This new educational webinar will help participants understand recent federal, Virginia, and Northern Virginia laws, policy changes, budget decisions, and government initiatives that affect Deaf, Hard of Hearing, DeafBlind, and Late-Deafened individuals, older adults, families, employers, nonprofits, and service providers. **Topics will include communication access, disability rights, healthcare, employment, aging services, AI and accessibility, and important local developments, including the new Virginia Open Caption movie law and Fairfax County updates.** The focus will be on what has changed, what it means, where to find resources, and how to effectively advocate for yourself or those you support.
